```
"qa_pairs": [  
  {  
    "question": "What is the identity of the elderly woman in the image?",  
    "answer": "The elderly woman is Rosa Camfield, a 101-year-old woman holding her great-granddaughter  
Kaylee."  
  },  
  {  
    "question": "What is the relationship between the elderly woman and the newborn?",  
    "answer": "Rosa Camfield is the great-grandmother of the newborn, Kaylee."  
  },  
  {  
    "question": "Does the image depict a 101-year-old woman giving birth to her 17th child?",  
    "answer": "No. The image shows Rosa Camfield holding her great-granddaughter, and the claim that she  
gave birth to her 17th child is false."  
  },  
  {  
    "question": "When was the photograph taken?",  
    "answer": "The photograph was taken on March 17, 2015, when Kaylee was being discharged from the  
hospital."  
  },  
  {  
    "question": "What is the context of the image?",  
    "answer": "The image was taken in a hospital room and shows Rosa Camfield holding her two-week-old  
great-granddaughter Kaylee. The photo was taken by her granddaughter Sarah Hamm."  
  }  
]
```

**Verdict:** Refuted

**Justification:** The evidence identifies the woman as Rosa Camfield, who was holding her great-granddaughter Kaylee. Multiple sources confirm that the image does not show a 101-year-old woman giving birth to her 17th child, making the claim false.
